

Christmas Mini Photoshoots

Everything You Need to Know

These sessions are extremely popular, so if you need to cancel or reschedule please let us know as soon as possible and allow us to offer your appointment to somebody else. We usually operate a waiting list system later in the season and a no-show on the day means that someone else has missed out on their chance at Christmas photos.

- *What to Wear*

Dress in rich Christmas colours of red, green or gold or stick to a colour palette of neutral white, cream or beige. Both of our Christmas sets work with Christmas party-wear, Christmas morning pyjamas and everything in between, so come as formal or as casual as you'd like.

If you're buying new clothes for little ones to wear, we strongly recommend trying them on in advance to make sure that they fit rather than discovering problems on the day.

Dressing room facilities are available for your use, but given the time limitations with these sessions, we recommend that you arrive already dressed in your photoshoot outfit, with hair and make-up (if adults are joining) already done.

- *Arriving for your Session*

Please aim to arrive at the studio 5-10 minutes before your appointment time. These sessions are restricted to a pre-set 20 minute timeslot and unfortunately, a late start may mean a reduction in the time available for your photography.

You'll be surprised at how much we can achieve in just 20 minutes, but arriving that little bit early means you have time to sign in at the studio, get rid of heavy winter coats/outerwear and manage any last minute tweaks to clothing or hair ready for a prompt start.

We stick to a strict time schedule on Christmas Mini Days, but if another session does still happen to be in progress when you arrive, we ask that you take a seat in the waiting area and allow us to finish up with our previous client before entering the main studio.

- *Covid Precautions / Hygiene*

We've maintained all of our Covid hygiene protocols and will be disinfecting each set in between uses. There is no requirement for our clients to wear masks, but we will voluntarily be wearing them ourselves over the Christmas period.

- *How to Find Us*

Full Address :

Sarah Lee Photography Studio, Foxhill Building, Wern Trading Estate, Rogerstone, Newport NP10 9FQ

Sat Nav will get you to Wern Trading Estate, but will not be able to direct you to the studio because all buildings share the same postcode.

On entering Wern Trading Estate, keep going along the main stretch past David & Sons Bakery, Ballet Cymru and Tiny Rebel. DO NOT turn off into the estate.

Immediately after passing the 2nd left turn you'll see a yellowish brown building behind a green mesh fence on the left hand side of the road. We share the upper floor of the building with Decoridea tiles. Come in through the main door, signed "Jack the Giant Storer", turn right at the end of the hallway and the studio is at the far end of the corridor.

There is no dedicated carpark for the studio, but you'll find plenty of on-road parking right outside the door. Please note that parking enforcement is in place, so you will need to sign in with your vehicle registration upon arrival.

- *Payment*

Mini sessions are priced at £35. Included in this price is your mini photoshoot plus three FREE high res files for you to download and print at your own convenience.

Payment of £35 is due on the day of your photoshoot* and we can accept payments by cash, credit/debit card or Paypal

You also have the option to upgrade your package and receive ALL of the high res files from your session for an additional £30 (£65 total cost) You may choose to upgrade immediately on the day or at any time afterwards once you've viewed your images.

*excluding clients signed up to the 2022 Four Seasons offer who have already paid in advance.

- *After your Session*

We know that you'll be keen to download your images so that you can print them as gifts/Christmas cards, so we aim to turn around our editing and get your files loaded to your gallery within 3 working days, if not sooner.

You'll receive an email notification with a link as soon as your gallery is available to view. These notifications come from "SarahLeePhotography via Pass" not our usual email address, so please check your spam folder if you don't see it in your inbox.

The download of your high res files is on a self service basis and you'll receive full instructions with your notification email.

If you choose to upgrade and receive all images after viewing your gallery, your additional downloads will be activated within 24 hours of payment being received.
