

Custom Photoshoot vs Mini Session

	Custom Photoshoot	Mini Session
Duration	<p>We publish approximate timeframes for all of our custom sessions so that you can plan your time accordingly.</p> <p>We also allow a little extra time in our diary in case of overruns so that you'll never be under any time pressure and we can accommodate as much of your wish list as possible.</p>	<p>Mini sessions are strictly time-limited.</p> <p>Timescales are published alongside each mini and we ask that you arrive at the studio/location 5-10 minutes before your appointment ready for a prompt start.</p> <p>We might not be able to accommodate overruns beyond your allocated timeslot, so a late arrival could mean a reduction in the time available for your session.</p>
Availability	<p>Custom photoshoots can be booked Monday to Saturday all year round. (subject to diary availability / holidays)</p>	<p>Most of our mini sessions are restricted to set days / dates throughout the year.</p>
Price Range	<p>£225 to £900 (excluding birthday packages which are highly customised and subject to special rates)</p>	<p>£35 to £95</p>
Pre Session Consultation	<p>YES</p> <p>We will have a pre-photoshoot planning consultation to get an understanding of what you want to get out of your session and any preferences for styling, colour schemes, poses etc</p>	<p>NO</p> <p>Information and advice about your specific mini session will be provided ahead of time so that you know what to expect but there will not be a full consultation process.</p>
Post Production (Editing)	<p>All proofs are hand-edited prior to viewing in your gallery. You'll then have the opportunity to request further touch-ups / tweaks to any images you choose to purchase, which we'll accommodate wherever possible.</p> <p>Before finalising your order, each selected image will also receive a second round of fine detail re-touching to optimise it for your chosen product.</p>	<p>All images are hand-edited prior to being loaded to your gallery.</p> <p>We do not run a proofing service with mini sessions so your chosen images will be available for you to download immediately.</p> <p>Except for exceptional circumstances, we cannot accept requests for additional re-touching or editing.</p>
20 Image Guarantee	<p>YES</p> <p>We guarantee that you will receive a minimum of 20 edited proofs to make your product selections from. Often you'll receive many more, but if we cannot deliver at least 20 we'll invite you back for a free follow up session.</p>	<p>NO</p>

AT THE STUDIO

Styling	<p>Styling, colour schemes, props etc will be personalised to your individual specifications.</p> <p>We will also do our best to accommodate any last minute requests or changes to plan made on the day.</p>	<p>Styling, colour schemes and props are pre-defined according to your specific mini.</p>
Sets	<p>Subject to your consultation, we may be able to accommodate up to as many as 4 unique sets during a custom session to give you as much variety as possible from your photoshoot.</p> <p>(This excludes birthday packages which are highly customised and take place using a pre-agreed bespoke set.)</p>	<p>Mini sessions take place on either 1 or 2 predetermined sets, details of which will be published alongside each mini.</p>
Clothing Changes	<p>We don't put a limit on the number of clothing changes for a custom session, but we recommend choosing no more than 4 or 5</p>	<p>Although there's often time for a single clothing change during a mini session, please refer to the details of your specific mini for more information about what can or can't be included.</p>

OUTDOOR SESSIONS

	Custom Photoshoot	Mini Session
Locations	<p>Choose one of our recommended locations or pick your own favourite beauty spot anywhere within the South East Wales area.</p>	<p>Mini sessions take place at one of three set locations in the Newport area.</p>
Number of stops	<p>There is enough time scheduled in a custom session to explore your chosen location and to stop for photographs at several spots along the way.</p>	<p>There is only enough time scheduled in a mini session to stop at ONE spot within your chosen location.</p>
Clothing Changes	<p>While outdoor clothing changes may not always be practical for adults, there will be enough time available if you want to bring 2 or 3 different outfits for little ones.</p>	<p>For outdoor minis we ask that you arrive with yourselves and any little ones already dressed in the clothing for your photoshoot.</p>
