PACKAGE OVERVIEW

I AM PREGNANT

Full Length Sessions

[Standard Pregnancy Packages](#)

[Standard Family Packages](#)

Combination Packages

[Bump & Baby Packages](#)
(2 sessions)

[Bump & Beyond](#)
(3 sessions)

Mini Sessions

[Pregnancy Mini](#)

- Pregnancy sessions usually take place between 30 and 36 weeks when your bump is clearly visible but it's still comfortable for you to stand and hold poses for the duration of your photoshoot.

I HAVE A NEWBORN (UNDER 3 WEEKS OLD)

Full Length Sessions

Newborn Packages

Standard Family Packages
(family shots only) *1

Combination Packages

Watch Me Grow
(3 sessions)

Mini Sessions

Fingers & Toes Mini

Baby & Me Mini

- *1 Newborns must be held by either a parent or sibling for all standard family sessions with this age group. If you'd like individual newborn photos too, please select one of our newborn packages instead.

I HAVE A BABY 4 TO 11 WEEKS OLD

Full Length Sessions

Newborn Packages
(with limitations) *1

Standard Family Packages
(family shots only) *2

Combination Packages

Watch Me Grow (3 sessions)
(with limitations) *1

Mini Sessions

Fingers & Toes Mini

Baby & Me Mini

- *1 For photographers, "newborn" refers to the period from birth up until around 3 weeks old. It's occasionally possible to achieve these types of shots right up to 4/5 weeks of age (or even later with preemies) but we recommend waiting for the 3 month milestone if you've missed the window for a newborn photoshoot.
- *2 Babies must be held by either a parent or sibling for all standard family sessions with this age group.

I HAVE A BABY 3 TO 6 MONTHS OLD

(holding head unsupported and able to manage tummy time)
