Play Time

Want to book a photoshoot for your under-five but worried how on Earth you're going to get them to stay still? Play Time sessions are a lovely fun alternative to a more formal photoshoot.

❖ Outdoors

Book an early morning photoshoot at a children's play area or park and capture beautiful natural memories of your little one simply having fun.

❖ In the Studio

Bring along a few favourite toys and just let your little one play. We'll capture beautiful, natural shots as we go along.
