

MONDAY MINIS

- TERMS & CONDITIONS -

- Mini sessions are time restricted to 30 minutes, so please aim to arrive 5 to 10 minutes before your start time.
- The first 5 minutes of your session will be spent with a mini consultation to get an idea of what you want to achieve from your session.
- Due to time constraints, studio minis will be shot on a plain backdrop - choose between a pale or dark backdrop or a mixture of both. Available props include rugs, throws, balloons and a choice of seating options for poses.
- Outdoor minis may be relocated to the studio if weather conditions are poor.
- Your USB stick will be ready for collection a week after your session and will contain 8 fully re-touched high res images with full permission for you to produce your own prints.
- Images for the USB are selected at the photographer's discretion and will reflect any requirements that we discuss during your consultation. In order to keep costs down, I'm unfortunately unable to offer customer selection of images for mini sessions.
