

Information Sheet :

14 Locks Canal Centre, Newport

Cwm Lane, Rogerstone, Newport NP10 9GN

Photoshoot Availability

Appointments may be booked for both mini sessions (20 minutes) and full length (1 hour) photoshoots.

During a 20 minute mini session, we can usually fit in photographs on the wooden bridge plus additional photos either in the long grass or on one of the lawns.

In addition to visiting those spots next to the carpark, a full one hour session allows enough time to follow the trail to the woodland area, take some candid shots feeding the ducks and/or seek out wildflowers on the canal banks and surrounding lanes.

The site is open between 6:30am and 4:30pm but photoshoot availability will vary throughout the year depending on natural light conditions.

Location Guide

Wooden Bridge

Located near the entrance to the canal centre and spanning one of the locks, this rustic bridge is one of the prettiest spots on the site.

Long Grass

The unassuming grass verge at the rear of the carpark is transformed with the magic of camera angles.

The hidden track provides an ideal seating spot and golden fields stretch into the distance to create the perfect backdrop.

Grassy Lawns

Two small lawns dotted with trees plus a grassy picnic area enclose the carpark and offer plenty of scope for photography.

Clever camera angles come into play again to give these compact spaces the illusion of being much bigger and more secluded than they actually are.

Woodland Walk

Wildflowers

At certain points in the year, the site is dotted with wildflowers. More flowers can occasionally be found on the canal bank and in the lane alongside the carpark.

Following the canal path downhill, just a few steps onto a trail takes us into a small wooded area where there are plenty of photo opportunities among the trees.

Getting There

Fourteen Locks Canal Centre is just a few minutes from the M4 Junction 27 and has its own dedicated carpark.

Pay for your parking through a Pay & Display machine or by using the ["PayByPhone"](#) app. At the time of writing, parking charges are £1.00 for up to 4 hours.

Site Map

As with all our recommended locations, Fourteen Locks is a public space and we need to be respectful to other users of the site. This information sheet illustrates the photo opportunities that we're presented with during a typical session at this venue, however, park maintenance; weather & light conditions and/or public events & activities may limit our access to certain areas on the day.

Information about car parking has been provided to assist you with selecting your photoshoot location and to the best of our knowledge is correct at the time of writing. Parking charges and restrictions may be subject to change and it's your responsibility to ensure that you park safely and legally for your session.

20 minute Mini Sessions

Fourteen Locks is a very compact location with photo opportunities right around the carpark. During a 20 minute mini session, we usually have plenty of time for photographs on the rustic wooden bridge plus a second set of photos on one of the grassy areas or along the grass verge.

Full Length Sessions (1 hour)

In addition to stopping at all of the photo spots around the carpark, a full one hour session allows us to follow the canal path down to the wooded area. We'll usually also have time to seek out wildflowers in the lane and/or pause for some candid shots feeding the ducks.

We'll discuss our plan for your session as part of your pre-photoshoot consultation and make sure that everything on your wish-list is included.
