Photoshoot Availability

Appointments at Cwmbran Boating Lake are available for **full length (1 hour) sessions ONLY**. We'll spend our hour walking a set route around the lake, pausing at several beauty spots on the way before circling back to the carpark

The carpark is open between 7:30am and 9:00pm but photoshoot availability will vary throughout the year depending on natural light conditions.

Location Guide

Wildflowers

On arrival in the carpark, we immediately encounter a wide border of long grass which is often bursting with wildflowers. It's a stunning starting point for your photoshoot.

Decked Walkways

Entering the park and walking around the edge of the lake, there are several decked viewing points and wooden walkways leading into a wooded area.

These are perfect locations to set up action shots and/or to pause for some candid photos as you take in the scenery.

Beneath the Trees

As we emerge from the wooded area, we find soft grassy slopes beneath the trees.

We'll stop and sit for a while and maybe take the opportunity to play with fallen leaves.

In the Canopy

Trees with low hanging branches, including mature Willows edge this section of the lake.

This is our opportunity for some 'peek-a-boo' shots through the foliage.

Fairy-tale Woodland

Back towards the carpark is a beautiful section of grassy woodland that looks straight out of a fairy-tale.

Take a stroll or stop and take a seat in this leafy glade.

Play Time

If we have time to spare as we head back towards the carpark, we can make a stop at the children's play area.

Before I leave you for the day, I'll finish up with some candid shots around the play park.

Getting There

The Boating Lake carpark is accessed from Llanfrechfa Way and at the time of writing parking is free of charge.
